

Ninja EIDO

Launchpad program for new protocols on BSC network.

- ✦ Ninja and Ninja EIDO Project Highlights in a Nutshell
- ✦ High security and user friendly platform feature
- ✦ Practical fund raising method
- ✦ A team with an elite, scientific and fully reliable vision
- ✦ Smart contracts creation with project
- ✦ Specific optimal and realistic solutions, every step monitoring and support
- ✦ High speed and easy-to understand transactions
- ✦ Guaranteed to work and present 100% safe and visionary projects

Starter one

High security and user friendly platform feature

Ninja EIDO will provide a safe and secure USER INTERFACE on Ninja Swap App for new protocols to pre launch sale and IDO/IFO/AMO/ATO launch.

Protocols in prelaunch stage can get full benefit of a web user interface without being at stage of building the protocols own.

Starter two

Practical fund raising method

Ninja Swap EIDO offers practical fund raising methods for new protocols. Not only has Ninja created their own AMO issue, Ninja swap will help eligible new protocols with the requirements needed for pre-launch success and safety.

Starter three

Personal Guidance from an educated team with scientific method and audited contracts

Ninja Swap team is not only competent to deliver but QUALIFIED competent to teach.... New protocols can guarantee one to one personal advice in security, smart contracts, web design by a caring and dedicated team.

Starter four

Smart Contract Support, Build & Security

When a protocol chooses Ninja EIDO it gets benefit of:

- ✦ Ninja team creating/assisting contract for prelaunch sales.
- ✦ Security Check by Ninja Team
- ✦ A website user interface built on a www.NinjaSwap.App/ninja-EIDO
- ✦ Continuing support and advice
- ✦ Chance to launch from Ninja DEX

Starter five

Full use of Ninja DEX exchange

Ninja Swap team not only offer the pre-launch package in Ninja EIDO, when it comes to launch all your early needs will be taken care of. Simply add liquidity to a pool with Ninja DEX and you token can be traded to all you community.

Starter six

100% Guarantee to successful prelaunch
contract and security

Ninja Swap team will not only get you STARTED, Ninja will 100% guarantee security and promise of delivery. Ninja EIDO will hold appropriate security checks of all Starter projects.

Starter seven
